Case 3:08-mj-01154-BLM CONTINUATION OF COMPLAINT: Agustin DIAZ-Martinez

PROBABLE CAUSE STATEMENT

On April 14, 2008, SIG/CAS Agents conducted surveillance in the 4000 block of 34th Street in San Diego, California based on information received that an individual identified as the defendant **Agustin DIAZMartinez** was back in the United States illegally.

At approximately 10:25 a.m., Agent Blas, observed a man matching the description and likeness of the defendant walking in front of the address in San Diego, California. Agent Blas approached the individual and identified himself as United States Border Patrol Agent. Agent Blas questioned the subject as to his identity and his immigration status. The defendant stated that he was in fact Agustin Diaz-Martinez. Agent Blas asked the defendant about his citizenship and nationality. The defendant stated that he was a citizen and national of Mexico without any immigration documents that would allow him to remain in the United States legally. The defendant was arrested and transported to the Chula Vista Border Patrol Station for processing.

Routine record checks of the defendant revealed a criminal and immigration history. The defendant's record was determined by a comparison of his criminal record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to **Mexico** on **April 30, 2007** through **San Ysidro, California.** These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.

The defendant was advised of his Miranda rights. The defendant stated that he understood his rights and was willing to answer questions without an attorney present. The defendant admitted that he is a citizen and national of Mexico illegally present in the United States.
